Dealer Comments

Stunning and gorgeous black on black Arnage with only 7k original miles. Vehicle is bone stock with the exception of the wheels and the radio. We have the original wheels and tires in our storage and they will be made available to the next buyer of this gorgeous time capsule. The vehicle still looks and runs like brand new and commands attention wherever she goes. This beauty is likely one of the lower mileage, cleanest and best examples of a collectible low mileage Arnage on the market. Black on Black with Black rims, picnic tables in the back, bluetooth upgraded speakers and brand new tires are waiting for the next owner of this vehicle. Books, mats, original brochures and all 4 Bentley branded umbrellas still in the packaging. Call us now before this gorgeous art piece is gone. 408-610-1000
